**HUNTLY PRIMARY SCHOOL  
SCHOOL SAFETY SURVEY**

Every year we send out a safety survey for the parents and children to complete together. The survey is completed not because we feel there are any particular problems, but as a way for us to reflect on our current school wide practices to both acknowledge what is working well and focus on any areas for improvement. The survey was sent home with all students on Tuesday this week.

*Could you please read through the survey with your child and return it to the school office by Friday 21st June.*
